Mayor welcomed everyone for coming.

At 7:30 PM, the Mayor announced that due to a lack of quorum there would be no business meeting.

At that time, Mayor asked if there were any citizens with concerns that would like to address the Council that was present.

Mayor introduced new Chief of Police James Breletic. Chief Breletic spoke regarding his plans of action for the City and his assessment thus far.

The Mayor then explained that no City business could be conducted due to the lack of quorum. However he stressed the importance & need for discussion regarding SPLOST and the City's deadline for submitting SPLOST forms. He further explained the points of SPLOST and the projects currently accepted for SPLOST funds.

Discussion concerning the urgency of a Call Meeting followed. It was agreed that a Call Meeting would be set for Thursday August 8 at 6:30 PM to cover the agenda items that needed immediate attention.
