Final Public Hearing, tax millage rate increase

Public hearing called to order at 7:31 PM on Tuesday August 5, 2014.

Mayor explained due to multiple times posted for the final Public Hearing, Mayor and Council would hold an additional Public Hearing for the proposed 1.5 tax mileage increase. He asked if there were any citizens that would like to come before Council to speak in favor or opposed to the increase. No one came forward at this time.

Jena Sandlin, Cotton Ave Lake Park, came to oppose the millage rate increase on behalf of elderly citizens on fixed incomes that could not be there for the meeting. She suggested that the Council come together and cut spending in the Police and Fire Departments instead of raising taxes.

Being no further discussion public hearing adjourned at 7:36 PM.
