Public Hearing Minutes

Public hearing called to order at 10:07 AM on Tuesday July 29, 2014.

Those present were as follows; Mayor Schindler, Mayor Pro Tem Carter, Council Members Mulkey, and Rutland, Clerk, and concerned citizens. No present Member Sherrill.

Mayor announced the City of Lake Park's tentative plan to increase the millage rate by 1.5 mills. That plan would tentatively increase the property taxes by 29.64%.

Mayor asked if Council had any comments or statements to be made at this time, there were none.

Mayor asked if there were any Lake Park citizens that would like to address Council regarding the tentative plan to increase the mileage rate, if so to come forward and state their name and address to Council.

Scott Sanford, 550 Sevilla Spring Circle, stated he had concerns not so much about the increase but about the publicity regarding the increase. He further stated that a lot of people don't read the announcements in the local paper nor do they check the website for updates.

Being no more Citizens to come forward, Council all agreed with tentative plan to increase mileage rate by 1.5 mills and/or agreed on tentatively increasing the property taxes by 29.64%.

Public hearing closed at 10:15 AM.
