June 27, 2013 City of Lake Park Work Session Minutes

Meeting called to order at 6:35 PM.

Those in attendance were as follows; Mayor Schindler, Council Members Sherrill, Moss, and Whitfield, City Attorney, City Clerk, and Charlie Clark with EMC Engineering Services.

Mayor called work session to order. He asked Council to approve Charlie Clark to come forward and give information on proposed utility (sewer force main) installation at Lake Park Elementary. No action taken.

Mayor and Council continued to review upcoming agenda items. Those items included the May meeting minutes, June financials, Zoning request LP-2013-01 (First Baptist Church), proposal from the Historical Society, Police Chief position, traffic flow on Cotton Ave., City Fraud Policy, Salary review, plans and ideas for upcoming 2014 budget, water issues, and littering signs. No action was taken.

Being no further discussion, the work session adjourned.
